Year 11	Subject: English		
Intent	<p>Year 11 English refines and broadens students' understanding of the skills required for their Eduqas Literature and Language GCSEs.</p> <p>As the majority of students will have taken the Literature examination in Year 10, but will resit at the end of Year 11, the majority of in-class lesson time will focus on Language preparation. Double lessons will be used for a session in English Literature and weekly homework will build on a wider understanding of the Literature texts studied. All lessons will provide bespoke teaching focussing on individual needs. Summer Term will be used for revision sessions with topics selected based on whole class needs whilst continuing to provide individualised bespoke teaching. Timed exam and essay/writing practice will be provided routinely preparing for mock and final examinations.</p> <p>Summer Term will be used for revision sessions with topics selected based on whole class needs whilst continuing to provide individualised bespoke teaching.
