Message from Head of School

Dear Parents, Carers and Students,

We are pleased to share our exciting news with you in this edition of the Gazette.

The Summer term is a busy term not only for the Year 11s as they complete their GCSE examinations but for the whole school population.

Our Yr 10s had the fantastic opportunity of work experience. Enabling students to sample what the working world is like really does help develop their awareness and skills.

We also had Sports Day which both staff and students really enjoy. Well done to all the students that took part and huge congratulations to the winning form team, Farrah.

I would like to take this opportunity to wish you and your families a lovely summer break and we look forward to welcoming students back in September.

Warm Regards,

Dr Mike Jarrett
Head of School

News & Update

Yr 10 Work Experience

Working with an external agency, Work Experience Partners, Mr Artrey sourced work experience placements for our Year 10 students.

Students go through an interview process with the agency, then following this a placement is organised. Students then have an interview at their place of work.

The interviews are really good experience for students, giving them the chance to see what interviews in the future will be like.

Placements run for a week, giving students a real insight into what different jobs and roles are like. They also learn important lessons about work place expectations.

Sports Day

On Monday 9th July TJA had a great Sports Day at Harrow on the Hill School.

Ennis, Farrah and Bolt form teams competed in high jump, long jump, shot put, sprint, hurdle, long distance and relay races.

Well done to all those who entered, it was a great day. Congratulations to Farrah, the winning form team.
