# Message from Head of School

---

Dear Parents, Carers and Students,

It has been another very productive term with lots happening for all of our students.

Year 11s finished their GCSE examinations in June and we celebrated with Graduation Ceremony. The event was very well received by all students and families that attended.

Our Yr 10s had work experience, which was a very interesting time for all students involved. Having this taster of the working world and having to meet expectations outside of school is such a valuable learning experience.

OFSTED also came to visit us for a one day inspection. We would like to thank all parents and carers that provided feedback and to all our students who worked so well with the inspectors. We hope you enjoy reading the report which we sent home to you - it can also be found on our website: [www.thejubileeacademy.org.uk/latest-news](http://www.thejubileeacademy.org.uk/latest-news).

We still have lots to look forward to during the remainder of the Summer Term, including our whole school trip to Phasell's Wood and Sports Day.

We would like to wish you an enjoyable Summer holiday, when we get there and look forward to welcoming students back to us in September.

Warm Regards,

Dr Mike Jarrett  
Head of School

## Work Experience

Year 10 students were given the opportunity of work experience from 10<sup>th</sup> – 14<sup>th</sup> June.

We are pleased to say that a number of students had really successful placements.

These experiences outside of school are really crucial to help students develop a whole host of skills. From time keeping and presentation to communication skills and working well with a different range of people.

## OFSTED

We had a superb day showcasing all the hard work that we do and the great progress that students are making with us during our OFSTED inspection on June 4<sup>th</sup>.

Inspectors believe that we have made marked improvement since our last inspection in June 2015 and are recommending that the school's next inspection be a section 5.

We hope you enjoyed reading the report which we sent home to you. It can also be found on our website: [www.thejubileeacademy.org.uk/latest-news](http://www.thejubileeacademy.org.uk/latest-news).

## SIMs Parent App

We hope you are using this App and finding it useful to help keep track of your child's progress.

## Year 11 Celebrations

We had a lovely afternoon celebrating with our Yr 11s at their Graduation Ceremony.

We like to recognise students hard work and the progress students have made.

We had 3 guests speakers delivering motivational messages as well as members of staff.

We also presented awards to students in our 5 different categories.

Firstly, Attendance, Most Improved Student, Highest Achiever, Leadership Quality and TJA Community.

As well as receiving awards and yearbooks, all students were given a leaver's hoodie.

We really enjoyed celebrating with our Yr 11s and look forward to seeing them on Thursday 22<sup>nd</sup> August at 9am to collect their examination results.

We have also been working with Brook Education to deliver some sessions within PSHRE. We have been focussing on self-esteem and body image, as well as content and sex and the law.
