Message from Head of School

Dear Parents, Carers and Students,

We were pleased to welcome students back in the Autumn term and see them looking really smart in their new school uniform. We feel that students are really happy with the uniform changes too and enjoy wearing a shirt and tie.

Throughout the term we have been working to prepare our Year 11s for their upcoming mock exams. After school interventions for all subjects began in October and we are pleased that a good number of students are taking part in these crucial interventions. We would like to thank you for your support with this.

I am also pleased to announce that our Student Travel Party - consisting of staff and student representatives - have been awarded Gold Accreditation by London Transport. This means that we are among the top 10% of London schools setting high standards regarding travel habits and working to reduce the number of journeys made by car every day.

Please enjoy reading the latest issue of our Gazette.

Warm Regards,

A handwritten signature in black ink that reads "Mike Jarrett". The signature is written in a cursive, slightly stylized font.

News & Update

Head Boy & Girl

At the beginning of term, back in September we had the task of electing a new Head Boy and Head Girl.

We very much enjoy listening to students speeches and encourage all students that are interested to take part. It is a good skill to be able to deliver speeches and we are very proud of all those that participated.

Following the speeches we decided that we would elect Mustafa Haile as Head Boy and Lelia Elmi as Head Girl.

We would like to congratulate them on their success and wish them all the best in their new role within the school community.

Yr 11's Intervention and Mock Examinations

In order to support the Yr 11s as much as possible and ensure they reach their full potential we began after school intervention sessions in October.

We are pleased to report a good number of students are participating and they will really see the benefit of doing so when they start their mocks later in November.

Please encourage your child to stay for interventions as much as possible.

Sessions begin at 3.10pm and end at 4.10pm.

Monday	Maths
Tuesday	English & Science
Wednesday	History & PE
Thursday	Business & ICT Languages
Friday	Health & Social Care Travel & Tourism

Reminder: Yr11 Mock Exams begin on Monday 26th November and finish on Friday 7th December.

Black History Month

October is Black History Month and we have been looking at different famous figures throughout the ages over a variety of subjects.

During PSHRE students worked to create posters and displays.

We invited male and female guest speakers in - including former Mayor Bertha Joseph from Brent - to talk about their experiences as part of one of our Black History Month assemblies.

TJA Website

On analysing Parents' Evenings feedback we felt that a great number of parents were not accessing our School website and that perhaps this was because it was difficult to find the relevant information.

We have therefore recently re-designed our school website.

We are really pleased with the new layout and believe it will make information more accessible.

Please have a look and let us know your thoughts.

Safeguarding

Nothing is more important to us than our students' safety. If you have any concerns about your child or any other child at The Jubilee Academy, please do not hesitate to contact us.

Students are issued a Safeguarding Handbook when they join TJA letting them know who to contact to find support and information on making good choices. For more information on Safeguarding at The Jubilee Academy please see our website, <http://www.thejubileeacademy.org.uk/safeguarding>

PSHRE

We have covered a variety of topics this term in PSHRE. Topics we have looked at include: peer on peer abuse, Black History Month and cyber bullying.

Yr 11 Motivational Conference

Working to encourage our Yr 11 students to attend intervention sessions, and focus for their mocks and external exams, we hosted a conference.

We invited past students to come in and talk about their exam experiences, results day and where they are now.

The session was really interesting and gave all our Yr 11s a real insight into the future and what they can achieve if they put in the effort and work required.

Cyber Bullying Assembly

Led by our student Ambassadors we talked about this ever increasing problem of cyber bullying. With social media becoming such a huge part of children’s lives it is so important to understand what your child is doing online and how they are interacting with others.

See our website for information, <https://www.thejubileeacademy.org.uk/esafety>

MacMillan Coffee Morning

Assisted by our Head Girl Leila, staff sold cakes to students and staff for donations. Thank you to all those that supported us; we raised £50 for MacMillan Cancer Support.
