How we USE staff Information

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals we employ, or otherwise engage, to work at our school. It is based on the Department for Education's model privacy notice for the school workforce, amended to reflect the way we use data in this school.

We, The Jubilee Academy, are the 'data controller' for the purposes of data protection law.

Our Data Protection Officer is Judicium Consulting Limited - Craig Stilwell (see 'contact us' below)

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested; and
- the arrangements in place to securely store and handle the data

To be granted access to school workforce information, organisations must comply with its strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.
