MESSAGE FROM HEAD OF SCHOOL

Dear Parents, Carers and Students,

As we approach the half term break, we can look back over our busy first half of the Spring term.

We continue to provide Year 11 students with exam support, offering after school revision sessions in preparation for the upcoming mock exams following the half term break.

Parents evening was a great success. It was wonderful to see so many parents and students attend. We believe that working together with parents is crucial to obtaining the best outcomes for students.

Later in the Spring Term we will be running our ‘Preparing for Opportunities’ event, whereby Year 11 students come to school in interview attire and attend mock interviews. This is such a valuable experience, helping to prepare students for future college and employment interviews.

We will also be working with our Year 10 students to secure them a work experience placement, which will see them spending a week at an approved placement during the Summer Term.

Enjoy the half term break and we look forward to welcoming students back on Monday 20th February.

Warm Regards,

Dr Mike Jarrett
Head of School

ONLINE SAFETY MONTH

February is Online Safety Month and we have been focussing on promoting healthy teenage online relationships.

The digital world is a space for children and young people to hang out with their friends, to connect with distant relatives and to learn and explore. It's crucial that children feel as comfortable and confident in the online world as they do in the real world.

Looking at topics such as, managing your online information, online reputation, online bullying, and privacy and security.

We have a dedicated area on the school website that focuses on online safety.
