MESSAGE FROM HEAD OF SCHOOL

Dear Parents, Carers and Students,

We are pleased to share our exciting news with you in this edition of the Gazette.

We have had a busy and productive Summer Term. Our Year 11s completed their GCSE examinations and have left us now. We look forward to seeing them in August when they collect their results.

Year 10 students had the opportunity to go out on work experience, which a number of them enjoyed.

We are looking forward to our Sport's Day and end of term activities and would like to wish you and your families a happy and safe Summer holidays.

Warm Regards,

Dr Mike Jarrett
Head of School

NEWS & UPDATE

YEAR 10'S WORK EXPERIENCE

In June a number of Year 10 full time students went out on work experience for a week.

Overall most students enjoyed their placements and it gave them a good insight into what a working week can be like.

Working with Work Experience Partners, Mr Artrey aimed to place students in a field related to their studies or within an environment they would like to develop in once they leave school.

SPORT'S DAY POSTER COMPETITION

Our Creative Media students have been working hard to design a poster for our upcoming Sport's Day.

Mr Sutherland ran the competition with his respite students using a programme called Comic Life on the apple mac computers.

Students really enjoyed the competition and after much debate by teaching staff – as there were so many fantastic entries – a winner was selected.

Well done to Gabrys for his winning poster.

SCHOOL TRAVEL PLAN

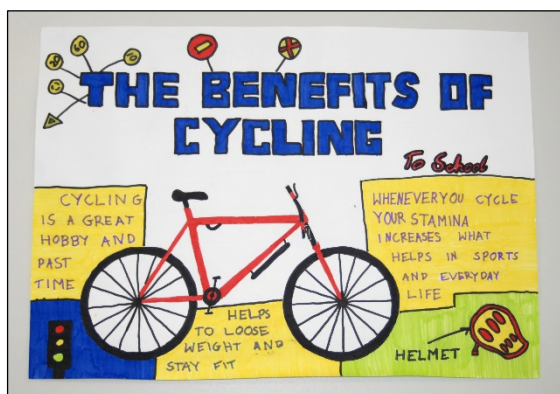

As part of our School Travel Plan we continue to look at students' safety on their journeys to and from school.

Focusing on the school journey, students mapped their routes to school thinking about the energy they use and carbon footprint.

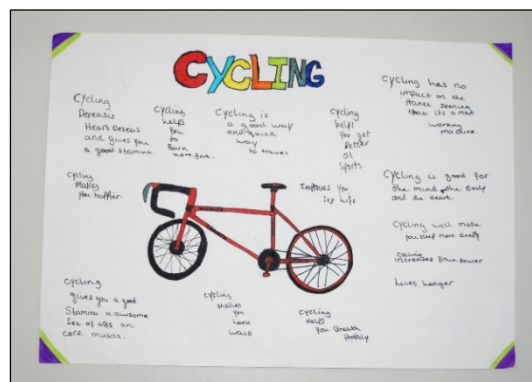

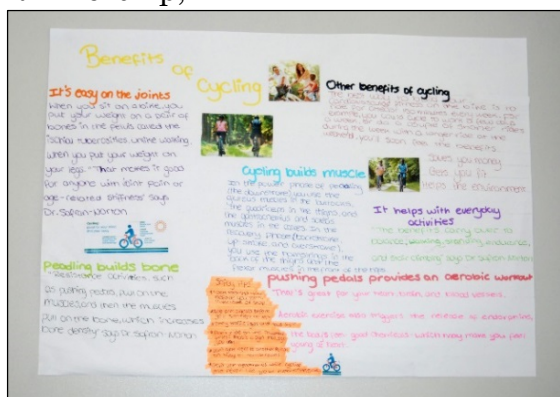

We also looked at cycling during Bike week, which ran from the 10th to the 18th of June. We looked at the benefits of cycling, encouraging our students to think about using a bike to travel on.

During PSHRE we looked at the benefits of cycling and ran a poster competition. Well done to Krystian for his fantastic poster. Krystian and his form will receive the prize of lunch at Nandos.

The winning poster,

Runners up,

See our School Website for more details:

ACHIEVEMENT ASSEMBLY

Every fortnight we like to recognise students' efforts and praise their progress and achievement during an Achievement Assembly.

Students are awarded with certificates from the different teaching areas. We also send postcards home to let parents know that their child has received a certificate.

We reward students for their efforts with achievements points which students are aware of as we update them with how they are getting on throughout the term.

During Achievement Assembly we like to recognise students' efforts outside of school as well, and this week we heard from one of our respite students who recently won a Bronze medal at The Kent International Judo Championships. We are very proud of Daniel and his achievements and hope to see him representing us in the Olympics one day in the future.

SAFEGUARDING

Nothing is more important to us than our students' safety. If you have any concerns about your child or any other child at The Jubilee Academy, please do not hesitate to contact us.

Our Safeguarding Contacts are;

Designated Safeguarding Lead

Ms Bennett

Deputy Safeguarding Leads

Mr Boothe

Mr Sutherland

Lead Governor for Safeguarding

Ms Cozens

UPDATE FROM MR. BOOTHE

Below is a list of the outside agencies we use to support our students.

- Sexual Health and Relationship Services – Clinic in a Box
- “Talk it out” Counselling Service
- Compass - Substance Misuse Support
- EIS – Anger Management, Self-Esteem & Self-Confidence
- Stop Smoking Cessation Programme
- Educational Psychologists.

Careers and interview support

In order to prepare our Year 10's for their work experience we provided a number of sessions prior to their placements. Initially we worked with students on interview skills and how best to answer questions and conduct themselves in an interview. We held a Preparing for Opportunities day when students had to dress formally for an interview and we held mock interviews.

The National Citizenship Service also worked with our students, giving them CV writing tips and helping them to prepare for interviews.

Compass Workshop on Substance Misuse

This workshop focussed on providing students with a broad and balanced overview on the drugs and alcohol, its effects and consequences including short and long term.

PSHRE

Cycling to school – Health and Fitness

Students were involved in creating a poster that demonstrates the benefits of cycling including benefits to their own health and to the environment.
